

Derm Detectives

POWERED BY ZOETIS

Investigate Dermatology Cases With Derm Detectives

Join our free educational email series for
veterinary professionals

With Derm Detectives, you'll
stay informed of best practices,
diagnostics, and treatment
approaches in canine dermatology.

Team up with our resident
detective, Furlock Bones,
and examine new case studies
each month to help solve
dermatology mysteries and get
tips for your own patients.

Did you know?

Allergic/atopic dermatitis is
the #1 reason pet owners
take their dogs to the vet¹
