

# Elevate Your Skills, Enrich Lives, and Help A Pet in Need.

PNAP: Empowering Veterinary Technicians to make a difference in pets' lives.

In the spirit of Royal Canin's commitment to creating A BETTER WORLD FOR PETS and in partnership with Greater Good Charities, you can empower your techs and assistants with education gained by participating in the Royal Canin Pet Nutrition Advisor Program (PNAP). Not only will your team graduate from the program, they will also be able to give back to the community and pets in need because **Royal Canin in collaboration with Greater Good Charities will donate four meals for each completion of the PNAP Foundations or Advanced**

**Course.** Scan below for more information and to register in the program.

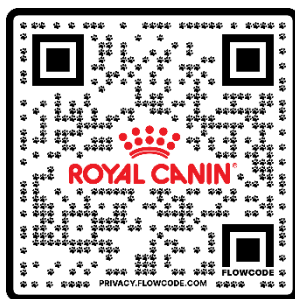

Completions eligible between April 1 through November 1, 2025.

Self directed learning journey led by
